YEAR 2014 ACCOMPLISHMENT REPORT

PRAISE THE LORD!! A million thanks for all your help. Year 2014, we completed our 30 years of tender loving care for our poor brothers and sisters in many different parts of the world. I am presenting to you, a summary of the fruits of your love and generosity that helped in various ways, our poor brothers and sisters, to help themselves stand on their own, by becoming self-sufficient, thus able to rise above poverty. You helped improved their lives, a change for the better and healthier life and also assisting them with necessities and supplies they need to live and provisions for their studies. You also provided for their medical needs.

In **Uganda**, through **Sr. Teddy Joyce Adaku**, you started helping 5 orphans. One of them have finished her studies and now able to earn and support herself and help her family. This year you provided funds for the education of the other four orphans. Two had started vocational training in 2014. The other two are in Senior 3 and 4. With the education provided to them, they will learn skills and knowledge that will help them become self-sufficient to be able to support themselves and help their families.

Also in **Uganda**, through **Fr. Joseph Ssebyala**, you helped sent 26 orphans to school. Two are in college who will be completing their studies in a year. If they finished their studies, they will be able to get a job and live a dignified life. Four orphans are finishing their Senior Four and twenty are in lower classes. In the past, we have provided Fr. Joseph with water tanks to water his coffee plantation during dry season. We also provided more funds to be able to buy more land and to plant more coffee trees. He now has 400 coffee trees. He is hoping to reach his target of 2000 coffee trees hoping we could help him more. When the time comes that he would be able to harvest the coffee trees, by then, he would be able to become self-sufficient and will be able to help the orphans under his care to finish their studies. But this would take a few more years to become a reality. He is hoping that we continue supporting the orphans, which we do, depending on the availability of funds.

In **Kenya**, through **Sr. Josephine Kwenga**, you support ten students in their studies. Mario Chura Alanoca. The following year he was ordained to the priesthood. I visited his family and have seen his house. We met his mother at the plaza where she was selling the bread she baked. They live in a one room house with dirt floor, two beds and a table. They pay rent for this room, electric bill and also for another room which they use as their kitchen to bake the bread. The father is away doing carpentry work. He comes home every two or three months as transportation is not only very hard and expensive but takes several days. You gave Fr. Mario 33 Mass Intentions.

In 2014, he informed me that he would need a kidney transplant. His younger sister is willing to be his kidney donor. This January 2015, he will be seeing his doctor who has been waiting for his kidney filtration rate to come down from 22 to 16 before he operates on Fr. Mario. My brothers and sisters, I want to thank you all once again, a million times, for your love, kindness, thoughtfulness and generosity. You are all our partners in this Ministry of Love, to reach out to all our poor brothers and sisters in need, especially those in the Third World countries where people live in extreme poverty and do not have the resources that we have here in U.S. I want to reassure you once again that your donations go to the poor 100%. Our funds are very limited as donations are low, but despite of it so many are being helped and many have already been able to rise above poverty. We give with great LOVE the little we have and the good Lord multiplies them so that many benefits from it. Our good Lord said that "Whatever you do for others, that you do unto me." And so my dear beloved partners, you have helped Jesus HIMSELF by helping the poor. It is our dear Lord who will reward you all abundantly according to your Love.

GOD BLESS AND LOVES YOU ALL. And may HE protect and keep you in HIS loving care.

Your loving and caring sister,
Merla
